The Pfadihuus Züri is located at Rolf-Balsiger-Strasse 8, 8044 Zurich, in the immediate vicinity of the zoo.

It is accessible both by car and by public transport, with the nearest stop about 800 m away (stop: Zürich, Zoo). On November 2, we will set off together as a group from there to walk to ETH (approx. 25 minutes away).

The house accommodates 48 people, divided into four dormitories with around twelve beds each.

The sanitary facilities are generously equipped and include a total of twelve showers.

Several common rooms are available inside the building.

In addition, there is free Wi-Fi and a large outdoor area with a lawn.
